ABOUT FINEXT CONFERENCE

At Finext, we firmly believe that the finance industry can benefit immensely, by bringing like-minded people on a common platform.

We see ourselves as mere facilitators in that process, committed to doing our bit for an industry that we have learned and gained so much from.

We have successfully hosted our conferences in Las Vegas, Singapore, Orlando and Dubai.

FiNext Conference Dubai was held on 26th - 27th February, 2020 at Le Meridien Dubai Hotel & Conference Center.

The conference aims to bring together 500+ finance leaders, including investors and startups, tech firms, banks, financial services companies, insurers and government agencies. Along with those, CFOs from all major sectors are also expected. We have designed this conference in a way, that it provides secure and meaningful channels for education, networking and building buyer-vendor relationships in the finance industry. Our industry experts offer the most relevant information on the latest trends in the industry and how technology innovations are empowering the industry. Our promise is to enable professionals from across the world, to come together, deliberate and work on improving the impact the finance sector has on today's world.

FINEXT AWARDS

Our team at FiNext is working hard to ensure that our brand name becomes synonymous with unparalleled networking opportunities and immense learning venues. In line with that vision, our awards are meant to recognize companies and leaders, who are making great strides in the traditional finance and FinTech industry, and working towards truly changing the face of industry all over the globe.

We will be felicitating companies and individuals at our conference in Dubai on the 26th and 27th of February 2020. The categories for these awards are the 'Excellence in Finance - Leaders' and the 'Excellence in Finance - Companies'.

Digital technology innovation is rapidly changing every industry and in a significant way the financial services. We are in for more interesting times and constantly looking at giving transformational solutions to the customers. It is interesting to note the conference is bringing together the top minds and provide a platform for knowledge. Great to be receiving award in Financial Excellence in such a global conference.

H-Garb Informatix Private Limited

H-Garb is a global business services and consulting company. It is a specialized organization that provides complete end to end services in the areas of finance & accounting, structured finance processing, financial data analysis of government entities and knowledge process outsourcing. They provide key support services that an entity would need so that the core functions can be given the attention that they deserve. H-Garb provides best fit SAP solutions and deliver them on cost optimized global delivery model. H-Garb employs people and techniques that get to the core business issues specific to the industry and then offer the optimal process and SAP leveraged technology solutions. Specializes in the delivery of SAP on-premise, S4 Hana Cloud, SAP BYD cloud and BI solutions.

The company designs and delivers transformed processes for it is their passion to work in the best interest of the client, diving deep and ensuring that even the most complex assignment is handled as seamlessly as possible.

The company works in the direction of becoming a valued partner rather than just being a service provider. They have a holistic approach meaning that to provide the best solutions to the clients the team would not hesitate going beyond the scope of their defined work. The company's focus is on learning the client's unique challenges to arrive at relevant and innovative solutions best suited to the client.

The company has a highly motivated team of experienced professionals, which has helped them to emerge as one of the niche vendors out of India which can be credited to the focus on client commitment, consistent quality, and vibrant internal team culture.

"Digital technology innovation is rapidly changing every industry and in a significant way the financial services. We are in for more interesting times and constantly looking at giving transformational solutions to the customers. It is interesting to note the conference is bringing together the top minds and provide a platform for knowledge. Great to be receiving award in Financial Excellence in such a global conference.", said Ramaswamy Perumal the Director & CEO of H-Garb Informatix Private Limited

H-Garb Informatix Private Limited was honored at the Finext Awards and Conference award ceremony at Le Méridien Dubai Hotel & Conference Centre.

This was the Fourth Edition of FiNext Awards & Conference, held on the 26th and 27th of February at the Le Méridien Dubai Hotel & Conference Centre. This much-awaited conference of the year brought together and celebrated the excellence of companies and people in the FinTech sector.

Fin-Tech industry needed space for the smartest, innovative, inventive and ambitious people to connect and create, consequently FiNext Awards and Conference were started as a dedicated platform to serve the needs of the Fin-Tech industry in terms of interaction, innovation, networking and showcasing of the talent.

Two days of celebration of people who have put their lives in innovating, transforming the way how people transact through technology. FiNext Awards acknowledge people who are bringing the future of finance through their persistent efforts.
